

# **iCan Bike Camp Volunteers Needed!**

 **SCAN ME**

## **Why Volunteer?**

- Volunteer "spotters" give participants the confidence they need to feel safe and secure while learning to ride!
- This is a customized program with special adaptive bike equipment that works. The feeling of helping a child learn a lifetime skill and experience success is priceless.
- You won't get this amazing experience elsewhere!
- Great service project (and workout)!

***5 Day Learn-to-Ride Program for Individuals with Autism, and Other Disabilities!***

***Golisano Training Center  
at Nazareth College  
4245 East Ave  
Rochester, NY 14618***

Presented by AutismUp

***July  
11th-15th  
2022***

***1 hour and 15 min. sessions between 8:15am-4:30pm.***

***Volunteers must be 15 years of age and able to walk and run. An ideal commitment would be to a five day session working with the same participant throughout the week.***
