

Going To:

**AUTISMUP!**

Soon we will be going to the Golisano Autism Center (GAC) for AutismUp Classes.

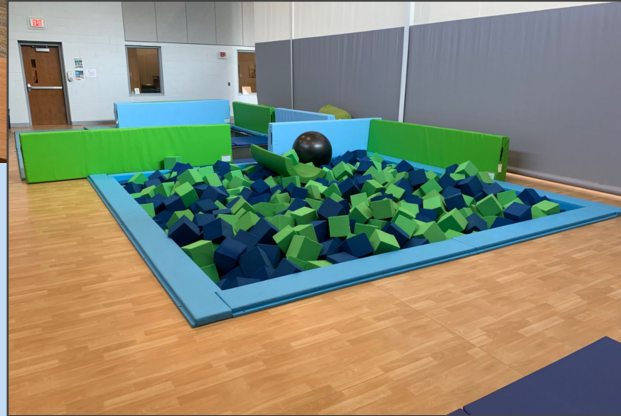

When we get to the GAC, we will go in these doors. We can wait in the car until a few minutes before class, and then make our way into the building.

We will walk to our class with our coaches and other participants.

Everyone needs to follow AutismUp  
rules and support coach directions at all  
times.

When it is time to leave, my coaches  
will walk my class to the exit doors.

I can have fun at AutismUp!
