## your help gives hope

1 in 54 are diagnosed with autism. These children grow up and become adults with autism. 10,000 individuals, and their families, are living with autism locally. During the pandemic they have been more isolated than ever as services are interrupted or eliminated. AutismUp has been a lifeline for 2,500+ families, extending support virtually and in-person at little to no cost. And now, we need your support. All tournament proceeds support the continuation & expansion of AutismUp's customized programs and services, and remain local. Thank you for helping to lift families with autism up.

## join us for a socially-responsible, safe & fun event

### COVID19 Safety Protocol

We will adhere to all NYS safety guidelines and ask that all attendees practice social distancing and use face coverings when not playing. All players and attendees are required to agree to guidelines as part of the registration process. Our traditional after-party will be replaced with daytime hut provisions and an online mobile bidding auction and raffle. All registrants will automatically receive entries for a special raffle as part of entry fee. Lunch and refreshments will be provided. Our AU-some auction will be available to view and participate online using a mobile platform in our new registration system, so please provide your mobile number in order to receive log in information at registration!
