

Dear friend of AutismUp,

We're celebrating our 20th year supporting the autism community, growing up alongside families living with autism, and preparing for our next chapter — adulthood. We are resolved to provide lifetime support and meaningful opportunities for children and adults with autism of all ages, and their caregivers, to grow and thrive.

Last year, we saw significant growth in families served, community outreach, and innovative class offerings. Our membership grew from 3,100 to over 3,700, our navigation team received over 3,200 calls, and participation in programs grew by 32%. We couldn't have achieved these milestones without the generous support of our local community.

We'd like to ask you to please consider donating an item, service, or gift certificate to support our fundraising efforts in 2024. Thousands of supporters in attendance and taking part online in our events will view your donation, exposing your business to a broad audience.

Donating is easy, and every item makes a difference! You can complete and mail the attached commitment form with your donation to AutismUp at the address below, or email your completed form to [ameyer@autismup.org](mailto:ameyer@autismup.org) to arrange delivery or pick up. We're happy to pick up your donation if you are in our local area.

If you have any questions or would like to discuss a donation, please contact me at (585)-248-9011 ext. 103 or [ameyer@autismup.org](mailto:ameyer@autismup.org).

Thank you for helping lift families with autism up!

Sincerely,

A handwritten signature in black ink that reads "AnneMarie Meyer".

AnneMarie Meyer, AutismUp Special Events Associate

AutismUp is the leading, local, 501c3 autism support organization in the Greater Rochester, and surrounding areas. Founded in 2004 by four moms in a coffee shop, we've grown to over 3,700+ member households. Our mission is to support individuals with autism spectrum disorder, and their families, by expanding and enhancing opportunities that improve quality of life. AutismUp is a proud co-founder of the Golisano Autism Center located at 50 Science Parkway, Rochester, NY 14620. For more information, visit [autismup.org](http://autismup.org).
