AutismUp is the leading 501(c)3 autism organization in Rochester and the surrounding areas. Founded in 2004, AutismUp has grown to include more than 2000 families.

Our Mission is to support individuals with Autism Spectrum Disorder, and their families, by expanding and enhancing opportunities to improve quality of life.

Our Vision is to collaborate with and create within our community to support every individual with Autism Spectrum Disorder, and the people who care for them.

Our Purpose is to provide families who have members with an Autism Spectrum Disorder, as well as professionals and community members, with information, resources, and training.

Our Commitment is to provide community education about Autism, and to collaborate with community partners to promote the inclusion of individuals with ASD in our community.

Our Focus includes practical learning and application, implementation of best practices, community education and collaboration, and facilitating opportunities for inclusion.

AutismUp Community Certification

Businesses succeed when they meet the needs of
their customers. Everyday outings like a restaurant
visit or a trip to the store are difficult, if not
impossible for people with Autism.

An autism-friendly organization creates:

- wider customer base
- increased revenue
- enhanced brand loyalty
- greater employee retention & productivity

Show your employees:

'We value your ideas and strengths.'

Show families and individuals with disabilities:

'You matter. You are welcome here!'

Parents & Families

Workshops are free for families and caregivers
