

GOLISANO AUTISM CENTER

A COLLABORATIVE COMMUNITY OF PROVIDERS

**The Golisano Autism Center and
AutismUp help people with autism and
their families.**

Every family needs help sometimes.

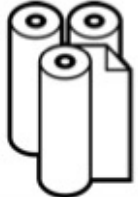

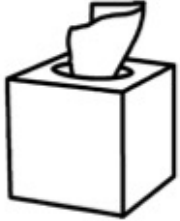

This year AutismUp and the Golisano Autism Center are going to help families get what they need to stay healthy.

My family is going to donate supplies to another family.

We might have some supplies at home, and we can go to the store to buy the other things we need.

Here is the list of supplies our families need:

Supply Box Shopping List	
Pack of toilet paper	Shampoo
	
Pack of paper towels	Soap
	
Tissues	Deodorant
	
Detergent	All Purpose Cleaner
	
Dish Soap	Hand Sanitizer
	
Sensory & Fidget Fun	
	

**Our family will bring the supplies to the
Golisano Autism Center on Sunday,
April 25 , from 11am-1pm.**

**We will stay in our car when we drop off
the supplies.**

Volunteers will take the supplies we are donating out of our car.

We might see other GAC and AutismUp friends there. We can wave hello, but we will stay in our car to stay safe.

It feels good to help others get what they need. Our families take care of each other!
